In Re: Eileen Vey

EXTRAORDINARY WRIT PETITION

☆☆

The petitioner, Dr. Eileen Vey ("Vey"), prays that this Honorable Court will grant this Emergency Extraordinary Writ of Mandamus/Prohibition in her Intergalactic Case of Law and Order/Rescue and ONE LAW SYSTEM. Immediate case expedition is requested in re mandamus to PA state court.

OPINIONS BELOW

As has been noted for seventeen (17) years in the state court system and thirteen (13) years in the federal court system and all other government systems in the U.S. and internationally, Vey has been unable to receive justice in her cases.

JURISDICTION

Jurisdiction is envoked under The United States Constitution, Article I § 9(2), Article III, Amendment 11, 28 §§ 1251,1651,2101, Extraordinary Writ, Original jurisdiction, 3RD Appeal (11, 17, 20).

This Court has a responsibility of upholding The United States Constitution under Article III and its Linchpin, Article VI (2), The Federal Supremacy Clause, and **Marburger v. Madison, Ginsburg**

v. U.S., against conflicting laws, procedures, ordinances, protocols, et ceteral, written or unwritten intergalactictally

U.S. CONSTITUTIONAL PROVISIONS

The entire U.S. CONSTITUTION and every law, ordinance, protocol, written or unwritten, in the Universe that conflicts with it.

STATEMENT OF CASE

This 17-year case has Original Jurisdiction, because of the international and national emergency situation of long years, which has excellerated these recent years and poses a clear and present danger to the national security of The United States and other countries, as Vey has previously written.

For seventeen (17) years in state court system and thirteen (13) in federal court systems, et cetera, Dr. Eileen Vey has fought to maintain our U.S. CONSTITUTIONAL FORM OF GOVERNMENT and end this lawless departure from it! sedition/anarchy

ADDITIONALLY, ten (10) years ago, Vey clearly pointed out the dangerous GOVERNMENT ROLL-OVER from our US. CONSTITUTIONAL FORM OF GOVERNMENT (Hitlers slide into government: "A little leaven leaveneth the whole lump."), in her U.S. Senate Seat fill-in case (Vey v. Governor Casey), involving the assassination of a Senator and killing of others with him. Dr. Vey argued the inconsistency in the U.S. Constitution to permit a state, instead of federal official to appoint a U.S. Senate Seat Fill-in, because it shook the stability of the Linchpin, Article VI (2) Supremacy Clause, another major reason for granting this writ, viz, law inconsistency corrected.

Vey's 17-year tag-a-long universal cases compilation in the federal court system for thirteen (13) years include prima facie habeas corpi, civil rights, RICO, intitiation of ONE HARMONIOUS LAW SYSTEM (present laws conflict with U.S. CONSTITUTION), pleas to RESTORE LAW & ORDER, pleas for Justice, many Wake-up Calls, and other matters. Statute of limitation for most these cases have not expired due to the RICO Rule and Federal Case Law, Central... v. Slotky (1992) 956 F2d 1369 (7TH) and Rodriguez v. Holmes (1992) 963 F2d 799, 805 (5TH), because Vey has been litigating her prima facie habeas corpus all these years. This has become a 17-year VIRUS CASE.

REASONS FOR GRANTING WRIT

Dr. Eileen Vey's (Doctor of Theology) petition for Emergency Extraordinary Writ of Mandamus/Prohibition of original jurisdiction should be granted due to the Universal and National Emergency relief sought, because 1) relief cannot be obtained in any other court or in any other form, which 2) exceptional circumstances involved, warrant the exercise of this Court's discretionary powers, which 3) will be an aid to the appellate courts.

INTRODUCTION

"I pledge Allegiance to the flag of The United States of America, and to the Republic for which it stands, one nation UNDER GOD, with Liberty and Justice for All."

♪♪"GOD bless America, land that I love, (God) stand beside her and guide her.....♪♪"

Money → "In GOD we trust"

This is not just another one of Vey's past decade of Intergalactic wake-up calls to Law and Order and one universal harmonic Law System, of which dangers and oppression still exist in the Universe, a condition to which we are all subject due to everything being connected universally in some way. More importantly, it is a call to ACTION.

Our country was rooted and grounded once in God and His Word, The Bible, upon which our country's government and U.S. Constitution are based (Is. 60:1). Here was once a refuge for freedom from religious and political oppression of rivals' threats of illegal imprisonments Because we honored God we were number one globally. Now since we have departed from God's laws and the U.S. Constitution by writing conflicting laws to our U.S. Constitution, our country no longer appears to be a refuge for the oppressed, but a place for carpetbaggers, foreign invaders storming across our borders without passports, invading foreign mafias bringing more crime than we can handle, slave laborers smuggled into our country to work sweatshops. Moreover, our country has experienced a ROLLOVER of government from our U.S. CONSTITUTIONAL FORM OF GOVERNMENT to a country of dictators, a breeding ground for a Hitler. This departure also has caused blatant crimes among our top government officials, who go unprosecuted. However, God in His mercy continues to call us back to His Ways, the U.S. Constitution, and promises to heal our land (Bible, II Chron. 7:14)).

Therefore, Vey prays that this Court and all judges everywhere will return to upholding and enforcing the U.S. Constitution once again, and not those illegally written conflicting laws, because it is your God given job.

ONE UNIVERSAL HARMONIOUS LAW SYSTEM
THE UNIVERSALITY OF EVERYTHING

Because everything is universally revelant with the entire universe (we travel, communicate, trade, we share air that passes across oceans from other countries, etc.): everything is effected universally. For this reason, Dr. Vey has been initiating a universal harmonious one law system, as well as establishing universal law and order for the benefit of "We The People of The Universe," as noted in her past litigation here of over a decade.

Article I § 8 (4), "Uniform laws," Article IV § 1, "Full Faith and Credit," interstate laws from one state not recognized in other state (divorce, etc): show more need for one uniform law system. We are too transient these days, not to have one system.

Throughout all systems nationally (federal, state, local) and internationally (people in space, satelites, etc.) there is either NO LAWS or the laws are conflictingly written with others, namely, or importantly, they are written in conflict with United States Constitutional Law. Moreover, national security is being violated without one (nuclear fallout, poisonous gases, terrorist takeovers).

ONE U.S. POLICE SYSTEM

The overwelming circumstances (described in Appendix 2) in our country proves that our U.S. police forces must also become a uniform or unified one police system in order to have the strenghth to combat the crime wave of criminal armies invading us. Ec. 4:12, **"a threefold cord is not quickly broken."** (FBI, CIA, DEA, state, local).

ILLEGALLY WRITTEN AND CONFLICTING LAW
DERELICTION OF DUTY

RE HABEAS CORPUS: Both AEDPA (Antiterrorism & Effective Death Penalty Act 1996) and the MEGAN Laws are illegally written, because they criminally deprive U.S. citizens of their U.S. Constitutionally rights of Article I § 9(2), "Writ of Habeas Corpus shall not be suspended.," Amendment 1, "Congress shall make no law abridging the right of the people to petition the Government for redress of grievance" and Amendment 8, "cruel

and unusual punishments." (unusually long time of a life term for stealing a loaf of bread, by a man convicted of two previous crimes), Amendment 13, "only be punished for which he is duly convicted, Amendment 15 Framers deemed it illegal to deprive one of rights, because of previous servitude, although it specifies voting rights, other rights should be applicable. PA PCRA violates same rights. The above illegal laws propagates kidnapping.

RE EMINENT DOMAIN & TAXES "WE The Peoples" rights are being violated as they lose their lands to taxes, big business, and as they are forced to pay for big business stadiums, arenas (Amendments 5, 13 and 14: There is more legal basis)

RE POLITICIANS DICTATORSHIPS Politicians do not acknowlege the Peoples vote against stadiums, they build them anyways (where is democracy?) Violates Article IV § 4

RE THE PEOPLES' GUARANTEED PROTECTION Art I § 8, Art IV § 4. The Peoples' general Welfare (Health) and protection are not being protected with appropriate laws by our U.S. Congress. Other countries governments pays for healthcare.

RE ELECTIONS & RESIDENCY Carpetbagging politicians do not meet the U.S. Constitutional definition of residency requirements: Art I § 3 (9 yrs), Art II § 1 (14 yrs), Amendment 14 person is resident of state where he has been residing and federal Supremacy of federal definitions.....

RE DECLARING WAR The U.S. CONSTITUTION gives rights to Congress to declare war and call military, Art I § 8 (11) and Art I § 8 (14).

RE POST OFFICE & ROADS This is federal jurisdiction Art I § 8 (7).

SOLDIERS & OTHERS ILLEGALLY QUARTERED IN HOMES Various high tech and satelites violate Amendment 2 with illegal serveilances and censors, as they are quartered in homes (need LAWS).

RE U.S. SENATE FILL-INS The inconsistency of Federal Supremacy, Art VI (2), President's power, Article II § 2 (3) and states powers, AMENDMENT 17 (Must be corrected).

PENNSYLVANIA'S ILLEGALLY OPERATED COURT SYSTEM This is blatantly operated against the U.S. Constitution!

The list goes on and on....

VEY'S PRIMA FACIE HABEAS CORPUS

For 17 years Dr. Vey has been unlawfully imprisoned by state, denied all laws, defenses, even met PCRA qualifications,

defrauded of PA habeas corpus, proved that she had no blood or gun powder evidence, plus a long list of other evidence. She wants order to state to drop all charges and clear her name, because of overwelming "reasonable doubt" of guilt, now, again, she is being defraded of state habeas corpus (Appendix 3).

AMNESTY FOR ALL
AND START OVER?

The fact that Big Business is illegally warehousing The People under guise of a justice system, that in reality is illegally operated (criminally operated and illegal Unconstitutionally written laws, as exhibited here by Vey), calls for the demand that Amnesty be declared for all.

Moreover, because our government has experienced a ROLLOVER from its U.S. CONSTITUTIONAL FORM OF GOVERNMENT, (politicians committing crimes without prosecution, no one upholding the U.S. CONSTITUTION, THE OVERWELMING VOLUMES OF ILLEGAL LAWS AND PROCEDURES WRITTEN AGAINST IT, ETC.). We should declare all laws null and void, Order Congress to make necessary corrections of the conflicts in the U.S. Constitution, with Article VI § 2 Federal Supremacy as reference, order the writing a new law system IN COMPLIANCE WITH THE U.S. CONSTITUTION! In brief, should we start over again with it as our basis?

Should those of Vey's 17-year cases concerning her being violated be prosecuted or should they be given amnesty as those subjected to the illegal justice system, that those in prisons? Should we just start over?

CONLUSION

WHEREFORE, the petitioner, Dr. Vey, requests that this Court (Re:unlawful imprisonment, obstruction of justice in state court) immediately Order state court to drop all charges for insufficient evidence as presented here previously by the prima facie evidence (Appendix 3), and that this Court grant the Extraordinary Writ, order mandamus/prohibition to Congress (Joint Session) and The President to make these corrections and laws as stated above.

Respectfully submitted,

Eileen Vey 8-23-01

PREVIOUS CONDITIONS SUBMITTED: INTERGALACTIC URGENCIES

For reasons of Intergalactic Urgencies and others listed here, this Court should not only grant the Writ, but cancel summer recess in order to decide these urgent matters.

The reason for the urgent need of a ONE UNIVERSAL LAW SYSTEM is due to the urgencies and that everything we do is relevant to the entire universe these days, as Vey has submitted previously here, that is, we travel, communicate, trade, the air we breath, et cetera, is all effected universally.

Some of these intergalactic urgencies challenging us for the immediate need of laws and enforcement are: eco-system relevancy to human existance, comminications linked with outer space satelites, space travel and trade, debri in space, space equipment breakdowns, space scams, meteors observance, nuclear testing airborn health and weather hazards, dangerous computer hacking, hostile sabatoge of national security weapons creating disasters, illegal spying of private information in criminal hands, use of airwaves all done through satelites? Also, nuclear, bio/chem/technological warfare and its affects in outerspace and world should be considered, while writing appropriate laws for these late times, AND WE ARE LATE IN THESE MATTERS!

INTERNATIONAL URGENCIES

Furthermore, we have an urgent need for a one law system and its law enforcement thereof for reasons of international matters, some of which are: old nuclear plants meltdowns causing dangerous blackouts, conditions of the world's major dams and bridges (blackouts, floods); control of hazardous biological/chemical/hi-technological weapons, that can be purchased and dropped from planes, airborn offshore toward land by boats, planted in air systems, used upwind of anyone or group; transportation safety of vehicles such as planes, parts falling from them, riotous drunks, commercial plane routes over populous areas, disease control in all aspects, oil tankers safety, ferries, cruise ships; private and corporate workers with national security information and technological access; prohibition of private information; sports, humane treatment of animals; newsmedia's crimes; one currency system, banking; farmland 7th year rest to restore minerals and vitamins to our foods again;

cults; ghoulish corporate medical business (chemical/biological/technological/ murder schemes to obtain blackmarket body parts, cloning, Medical Doctors as hitmen for assassin purposes, etc. Vey's experience with Health Care business problems extends to the states of CA, LA, VA, OH, NY, ILL, MD, PA, LA, TX, MN, CO, MA involving internationals.

THE STATE OF OUR NATION (U.S.A.)

The urgent need for this Writ's granting are: Treason by leaders, Anarchy, Sedition, our government operating against our U.S. CONSTITUTIONAL FORM OF GOVERNMENT; Mafias infiltrating our country and U.S. governments' systems by mob-type career politicians; biological/chemical/technological hazard control; Diplomatic Immunity outlawed; the invasion of Mexicans storming across our unprotected borders with their drug cartels; taking American's jobs; overturning of our language heritage (Spanish second language in U.S: Is Mexico ANNEXING with The U.S.?); unprosecuted crimes of leaders, the rich and powerful, a U.S. Senator's death (18 USC § 37) and others (prejudicial justice system), numerous national security risks of information with ex-CIA, MILITARY, FBI, etc. illegal prosecutions for political purposes in America, polution as a whole, cults.

VEY'S DEMAND TO RESTORE LAW & ORDER

Vey has been fighting to CLEAN-UP the United States (with appropriate prosecutions of these blatant criminals), RESTORE law and order in the U.S., especially to that of our U.S. CONSTITUTIONAL FORM OF GOVERNMENT and initiate ONE UNIVERSAL LAW SYSTEM.
